

September 10, 2021

Dear Residents & Family Members,

We are committed to keeping you well-informed of updates and changes with the impact of COVID-19 on our Friends House community. Please see the chart below for our current numbers related to positive COVID-19 cases for both residents and staff. These numbers are reflective from the very start of the pandemic.

Visiting update:

All visits must be scheduled ahead of time. Scheduling will occur by calling the front desk at Stabler Hall, 301-924-7531, if your loved one lives on Thomas Hall or Stabler Hall or by calling the nurse station on Haviland Hall, 301-924-7518, if your loved one lives on Haviland Hall.

Window and Skype visits are always available. If you would like to schedule a window visit, please call the front desk of Stabler Hall during regular business hours to schedule a time, or feel free to request a Skype or FaceTime call. The number is 301-924-7531. If you would like to schedule a window visit or FaceTime call for a resident who lives in Haviland Hall (Assisted Living), please call 301-924-7518.

In order to decrease the chance of spreading COVID-19, any visitor coming into the building must show proof of vaccination. If you do not have proof of vaccination you must wear your mask the whole time you are visiting. The person you are visiting must wear their mask the whole time as well, regardless if you are visiting inside or outside.

Regardless of vaccination status, masks must be worn in all common areas at all times.

Indoor visitation is subject to change at a moment's notice based on an increase of COVID-19 cases in our local jurisdiction or the state. We are closely monitoring the COVID-19 activity within the state and Montgomery County.

Our latest results since the beginning of COVID-19 are: (As of September 10, 2021)

	#Positives	#Deaths	#Returned to Work	#Became Negative	#Still Positive
Healthcare Residents	33	7	N/A (not applicable)	26	0
Staff	46	0	46	N/A (not applicable)	0

We appreciate your continued support and understanding. We continue to work with The Maryland Department of Health and local health departments in monitoring the outbreak of the COVID-19 virus.

Please remember that the virus has not gone away, even after the initial rounds of the vaccination have been administered, so it is still important to remain vigilant. Please refrain from visiting if you are not feeling well, whether because of COVID symptoms or not.
